Life can be like a nightmare where no one hear you
scream
Life can be like a fairytale you're a part of a wonderful
dream
Bring me the morning, bring me the sun
I've been one with the night for a long, long time

Give me a reason to believe in you and all the things
you say
Tell me what is right, tell me what is wrong and I will
follow your way
I've got one life and I'm not going to waste it
I've got one life and I'll live it up

Dream on! Dream on!
As long as you are here with me, as long as we stay
together
Dream on! Dream on!
As long as you are here with me the dream's going to
last forever.
Dream on!

Life can be like a nightmare where no one hear you
scream
Life can be like a fairytale you're a part of a wonderful
dream
I've got one life and I'm not going to waste it
I've got one life and I'll live it up

Dream on! Dream on!
As long as you are here with me, as long as we stay
together
Dream on! Dream on!
As long as you are here with me the dream's going to
last forever.
Dream on!
