"Ocean Of Love"

In the morning sun after nights of fun
comes the burning pain, the burning pain
Walking on my own I need to be alone
is it all in vain, is it all in vain

Every ocean of love needs a heart to survive
can't you see that it kills me, I'm dying inside
I'm leaving tonight and for the first time of my life
I know this is what I have to do

I will leave this town, leave it all behind
and start a brandnew life
No more wasted days at this crazy place
I don't care anymore what you say

Every ocean of love needs a heart to survive
can't you see that it kills me, I'm dying inside
I'm leaving tonight and for the first time of my life
I know this is what I have to do
Tomorrow I'll be fine again, tomorrow I'll be fine...

Every ocean of love needs a heart to survive
can't you see that it kills me, I'm dying inside
I'm leaving tonight and for the first time of my life
I know this is what I have to do

Tomorrow I'll be fine...
Tomorrow I'll be fine again...
Tomorrow I'll be fine...
Tomorrow I'll be fine again...
