Do we know where we're going?
Walking down the avenue
I don't know what to feel now baby
Is it too good to be true?

Rosa Lee
Can't you see what you've done to me?
Rosa Lee
I'm drowning in your eyes
Rosa Lee
Could it be a broken moment in the steps you try to
hide?

All the moves that we're making
Are they right in every way?
Do we care when it's hurting baby
If I should fall behind would you stay?

Rosa Lee
Can't you see what you've done to me?
Rosa Lee
I'm drowning in your eyes
Rosa Lee
Could it be a broken moment in the steps you try to
hide?
