REFRAIN:

Vikki turn your back on me
Come on darlin' just for me
'Cause there is something so appealin',
that your eyes are not revealin'!
Oh, Miss Dougan, you're for me!
Other girls who approach me,
Are beautiful, gorgeous and gay!
But you're so gosh darn more inviting
Going the other way!

REFRAIN

Vikki baby you move me,
In those far-out clothes!
But don't it get chilly flyin' home at night
When that cold cold tail-wind blows?

REFRAIN

Vikki baby, you rock me,
Without you I'm bereft!
I'm hynotized by those crazy eyes,
And that callipygian cleft!

REFRAIN

Vikki baby, we're older,
My get up and go is gone
But when I see you walking down the street
Them buns still turn me on!
