Reaching over
life to life
feeling sugared skin
my poor baby
kissed him so
to ashamed to lift his chin
a voice is speaking
he's the prophet
blinded by the light
a heart is breaking
I can hear it
dropped when gone beyond my sight
hey there, Mr. Talk Too Much
what's in store for us now?
I don't know how to speak to you
I don't know how to trust you
I don't kow how to live for you
I don't know how to love you
the gentleman who fell before the court
I feel your closeness
like a shotgun

a chill within my soul

I touch your finger

know your darkness

your passion takes its' toll

can't see that this talk is cheap

let the suffering go
