"Out the Light"

My little boy was going to sleep
Said his prayers and then he counted his sheep
During the night, he just couldn't sleep
So a bedtime story I tried to tell
"I'll tell you Goldilocks"
"No, Mommy"
"Little Red Riding Hood?"
"No, Mommy"
"Well what you want, then?"

"Mommy, out the light
And tell me what you told my daddy last night
I beg you please, Mommy, out the light
And tell me what you told my daddy last night"

"I love you so much" that's what mommy said
But my little angel still would not say goodnight
"Can Mommy fix you something to drink?
Mommy's darling boy is thirsty, I think
I'll get you some water"
"No, Mommy"
"I'll squeeze you an orange"
"Nah-uh"
"Well what you want, then?"

"Mommy, out the light
And squeeze me like you squeezed my daddy last
night
I beg you please, Mommy, out the light
And squeeze me like you squeezed my daddy last
night"

So to my heart I held him so tight
But my honey lamb did not say goodnight
So then I whispered "Be a good boy
I'll give you a penny or maybe a toy
I'll give you a some candy"
"No, Mommy"
"Maybe a penny"
"Nah-uh"
"Well what you want, then?"

"Mommy, out the light
And give me what you gave my daddy last night
I beg you please, Mommy, out the light
And give me what you gave my daddy last night
Mommy, out the light
And give me what you gave my daddy last night
I beg you please, Mommy, out the light
And give me what you gave my daddy last night"...
