I see sunlight
creeping in through a hole in the wall
I get a funny feeling
I should go outside

I can't stand to be
cook top in doors
gonna get my car
come around to yours

And maybe I'll take baby
for a ride

It's been sometime
since I've been shut out
on the road
with the blue skies in front of me
I can let the past turn me round

let's get us soft lust
in the midsummer haze
down the cool contry lanes
let me under for days..
and maybe I'll take baby
for a ride

and maybe
I'll take baby
for a ride

Love is electrified
current increase emotion

and maybe
I'll take baby
for a ride

Glamour of countryside
roads like the ocean

and maybe
I'll take baby

for a ride
