walking through unwinding paths
that lead me to no end
how I have searched endlessly
for something to believe

a picture that captures time
a moment we can realize
that there is more for us to see
but out of focus it always seems

don't wait for the lines to change
don't wait for a sign
you let all these years pass by
it's time that you let go

it's not too late

you had too many days
to wait upon these lines
you had to wait for time to pass
you waited all these years
it's time for you to leave this place
it's time to run away

don't wait for this to settle in
it's time that you found out
