If you need a shoulder to cry on call me
There's no guarantee
That you'll like what you see

I'm looking for answers I know
But memories come
Just as soon as they go

Turn back the clock of your heart
And in the wild strawberry park
We grew up apart

But together at heart
And in a while years soon fly by
You let out a sigh

Wipe the tears from your eye
Memories are not what they seem
You can redeem your perfect dream

And finally you see the light
When you turn your back, you lose the fight
Turn back the clock of your heart
