10:15 on a Saturday night
And the tap drips under the streetlight
And I'm sitting in a kitchen sink
And the tap drips

Drip, drip, drip
Drip, drip, drip
Drip, drip, drip

Waiting for the telephone to ring
And I wonder where she's been
And I'm crying for yesterday
And the tap drips

Drip, drip, drip
Drip, drip, drip
Drip, drip, drip

10:15 on a Saturday night
And the tap drips under the streetlight
And I'm sitting in a kitchen sink
And the tap drips

Drip, drip, drip
Drip, drip, drip
Drip, drip, drip
