Is there somethin' goin' on around me?
Is there somethin' I should know?
The ghost of paranoia slips into my mind
And the dust it settles in

It's gettin' harder to remember
Just what it is I need to say
Another shadow in the memory
I'll never be the same again

So tell me where the fire is
And why is everybody runnin'?
For all I know I could be losin' my mind
And the dust it settles in

Whoa, whoa, whoa
Lost inside my mind
Whoa, whoa, whoa
Lost inside my mind

Is there somethin' goin' on around me?
Is there somethin' I should know?
Everything just seems to vanish in the haze
And the dust it settles in

Whoa, whoa, whoa
Lost inside my mind
Whoa, whoa, whoa
Lost inside my mind
In my head, long to shed

Now we all are one
Now we all are one
Now we all are one
Now we all are

Whoa, whoa, whoa
Lost inside my mind
Whoa, whoa, whoa
Lost inside my mind

Inside my mind

Inside my mind
Inside my mind
