Jimmy, what's your vote?
You don't have to repay them after all

Jimmy told of those who'd been cheated
But were never defeated just morally wrong
Jimmy told of those who were jaded
Their colors had faded like they didn't belong

And they lied
A new life they were seeking
Yes, they lied
Now their plans are leaking

Jimmy, what's your vote?
You don't have to repay them after all

Jimmy told of those who had made it
And others who'd paid it but the price was wrong
Everybody's too busy fighting to bother deciding
What has to be done

Jimmy, what's your vote?
You don't have to repay them after all
No, you don't have to repay them after all

Jimmy
Jimmy
Jimmy

Jimmy, it seems as though it can be sold
As easy as a story can be told

Jimmy, you don't have to repay them
No, you don't have to repay them
No, you don't have to repay them after all

Jimmy had a dream, he would make it
And he wouldn't fake it like the others had done
Well, he believed in those who were jaded
Whose colors had faded like they didn't belong

Jimmy, what's your vote?

Jimmy, what's your vote?
You don't have to repay them after all

Now we're all faded
Now we're all faded
Now we're all faded
Now we're all faded

Well, Jimmy told of those who'd been cheated
But were never defeated just morally wrong
Yeah, Jimmy told of those who were jaded
Their colors had faded like they didn't belong
