Keep it up, keep it up  
You're gonna kill the kid  
Soon enough, soon enough  
He's gonna flip the lid  
Will you be happy then  
Wearin' a satisfied grin?

Take it up, take it up  
Take it all out on him  
And take away his heart  
Drain all the life within  
Will you be happy then  
Wearin' a satisfied grin?

You wear your heart on your sleeve  
Living your life in a dream  
Believe what you want to believe  
And I thought this was supposed to be fun

Keep it up, keep it up  
You're gonna kill the kid  
Soon enough, soon enough  
He's gonna flip the lid  
Will you be happy then  
Wearin' a satisfied grin?

You wear your heart on your sleeve  
You live your life in a dream  
Believe what you want to believe  
After all that we've been through now  
Still so much to do now, with you now

That kid's not right  
There's something wrong with him  
Wound up too tight  
Keepin' it all within, yeah  
Don't let them see your fear  
Stand up and wipe away the tears

Keep it up, keep it up  
You're gonna kill the kid  
Soon enough, soon enough

He?s gonna flip the lid  
Will you be happy then  
Wearin' a satisfied grin?
