Workin' for a man that you don't understand so forget
it
Spendin' all your dough yeah you know as soon as you
get it
Wastin' your time on an assembly line you want out of it
Pickin' up your pay at the end of the day and get out of
it
And get away

'Cause you're wonderin' if it's gonna change
'Cause the weekdays are the same as always, never
changing

Make a break, another escape
I gotta get out, I gotta get out
Make a break, another escape
I gotta get out, I gotta get out
Long live the weekend

Monday, don't want to get out of bed
Tuesday, I'm walking with the dead
Wednesday, never felt so wrong
Thursday, it takes twice as long

But Friday, I know where I'm gonna be
Faraway from the same old everyday, ordinary

Make a break, another escape
I gotta get out, I gotta get out
Make a break, another escape
I gotta get out, I gotta get out
Long live the weekend
Long live the weekend

Week in, week out
Week in, week out
Week in, week out
Week in, week out

I don't care if I don't get paid
Can't sit here for one more day
Wasting away

Well now you're wonderin' if it's gonna change
'Cause the weekdays are the same as always, never
changing

Make a break, another escape
I gotta get out, I gotta get out
Make a break, another escape
I gotta get out, I gotta get out
Long live the weekend

Long live the weekend
Long live the weekend
Long live the weekend
Long live the weekend
