Monday, a day like no other
Monday, was their last day
Some say, life is a struggle
Some say, life should be easy

One day, in a peaceful village
School day, in working Dunblane
One man, could change their whole world
One man, is all it took for

No school today
It's just a memory
One mind gone wrong

I don't wanna play on Monday
I don't wanna play on Monday
Pinned to my memory
Not just another Monday
It seems like such a lie

Change of plans on a rainy day
A new lesson to be learnt today
Pack up your guns and your soldiers too
Because one sick mind depends on you

No school today
It's just a memory
One mind gone wrong

I don't wanna play on Monday
I don't wanna play on Monday
Pinned to my memory
Not just another Monday
It seems like such a lie
Lie, lie

Playin' quietly
Along came destiny
No, I, I don't wanna play

No school today
It's just a memory

One mind gone wrong

I don't wanna play on Monday
I don't wanna play on Monday
Pinned to my memory
Not just another Monday
It seems like such a lie
Monday, it seems like such a lie
Monday, it's just a lie
