So here I come to save the day  
A regular Joe now on parade  
(They say)  
It's the only way  
(But they)  
They only want it when it's there

So here I come to save the day  
The future's here and the past is yesterday  
(They say)  
It's the only way  
(They say)  
They only want it when it's there

When it's there  
We're not goin' on a holiday  
We do a lot of work but we don't get paid  
Stand up, don't walk away  
Take your pride and swallow, swallow  
Take your pride and swallow, swallow

Life's full of much unwanted waste  
Crime pays and the junkies walk away  
(But for)  
Husband and the good son  
(They speak)  
Ill at ease but they dare not run

They dare not run  
We're not goin' on a holiday  
We do a lot of work but we don't get paid  
Stand up, don't walk away  
Take your pride and swallow, swallow  
Take your pride and swallow, swallow

We're not goin' on a holiday  
We do a lot of work but we don't get paid  
Stand up, don't walk away  
Take your pride and swallow, swallow  
(We're not goin' on a holiday, hey)  
Take your pride and swallow, swallow  
(Stand up, don't walk away, hey)

Take your pride and swallow, swallow  
(We're not goin' on a holiday, hey)  
Take your pride and swallow, swallow  
(Stand up, don't walk away, hey)  
Take your pride and run
