Standin' on a street light, tryin' to get away
Guilty, guilty, I hear what you say
Countin' down the hours but I haven't got the time
23rd precinct jumping on the line, on the line

And what I wanna know
Is will I get death row
Or is there a second solution?

What I wanna say
Is will I die today
Or will I get second solution?

It was never meant to end this way
One shot violence, I hear what you say
Standin' on a street light, tryin' to get away
Guilty, guilty, I hear what you say, what you say

And what I wanna know
Is will I get death row
Or is there a second solution?

What I wanna say
Is will I die today
Or will I get second solution?

Standin' on a street light, tryin' to get away
Guilty, guilty, I hear what you say
Countin' down the hours but I haven't got the time
23rd precinct jumping on the line, on the line

And what I wanna know
Is will I get death row
Or is there a second solution?

What I wanna say
Is will I die today
Or will I get second solution?

Second solution
Second solution
Second solution
