What's your problem?  
What's on your mind?  
You're letting everything fall by the wayside  
Check the program, stay on the line  
The operator will be with you in no time

You've got your problems  
But I've got mine  
Lost transmission inside your mind

What's on your radio?  
What's on your radio?  
What's on your radio?  
Where do you wanna go?  
What do you wanna know?  
What's on your radio?  
Radio  
What's on your radio?

Check the station, tune in the dial  
Make sure you're keeping up with all the new styles  
You say you find it hard to decide  
But you will never know until you try

What's the answer?  
Fucked if I know  
But do you trust  
What's on your radio?

What's on your radio?  
What's on your radio?  
What's on your radio?  
Where do you wanna go?  
What do you wanna know?  
What's on your radio?  
Radio  
What's on your radio?

What's on your radio?  
What's on your radio?  
What's on your radio?  
Where do you wanna go?

What do you wanna know?  
What's on your radio?

What's on your radio?  
What's on your radio?  
What's on your radio?  
Where do you wanna go?  
What do you wanna know?  
What's on your radio?

What's on your radio?  
Where do you wanna go?  
What's on your radio?  
Radio  
What's on your radio?
