This is a system of fear
Fill our minds with violence and pictures
Tell us what we need to hear from you
And get what you wanted

Do you wish it on your own?
Will you cover me alone in this wishing well?

Blood soaked with tears in your eyes
Buried deep, I still hear the crying
This is the last of goodbyes I feel,
Is somebody out there?

Do you wish it on your own?
Will you cover me alone in this wishing well?

I'm the one you're looking for
I'm the one you're looking for

Now can you hear me? I'm trying to say...
Why don't you listen, I'm trying...
I'm the one you're looking for
Why don't you listen, I'm trying...

I'm the one you're looking for
I'm the one you're looking for

Do you wish it on your own?
Will you cover me alone in this wishing well?
