friday finally came around  
this girls ready to paint the town  
tonight aint nothing gonna slow me down  
i did my time working all week  
tonights all mine tomorrow ill sleep  
i wanna hear a band with a country sound  
ive been cooped up all week long  
ive been working my fingers to the bone  
well its a girls night out  
and honey there aint no doubt  
im gonna dance every dance til the boys go home  
well its my night to rock  
no watching that ole clock  
oh aint no doubt lordy its a girls night out  
two step or the cotton-eye joe  
they can play em fast or they can play em slow  
i can do em all just show me the floor  
you can give me a little rock and roll  
or even a waltz with the lights down low  
ill still be dancing when they close the door  
ive been cooped up all week long  
ive been working my fingers to the bone  
well its a girls night out  
and honey there aint no doubt  
im gonna dance every dance til the boys go home  
well its my night to rock  
no watching that ole clock  
oh aint no doubt lordy its a girls night out  
well its a girls night out  
and honey there aint no doubt  
im gonna dance every dance til the boys go home  
well its my night to rock  
no watching that ole clock  
oh aint no doubt lordy its a girls night out
