I want to tell 'bout my lover
And I want to tell you 'bout my best friend
Compared to all the others, he's a little bit different

A friend saw him on the town
Said, "He was turnin' all the pretty girls down"
She said, "You really should be proud of him"

Isn't he a strange one?
He thinks comin' on to me
Is a whole lot of fun
He doesn't want anybody else but me

Isn't he a strange one?
He thinks I hung the moon
He's pretty sure I was the one
And I'm glad he'll never be
A stranger to me

I know he's one in a million
When he says, "I'm the one that he's dreamin' of"
I hope he doesn't wake up anytime soon from this
honeymoon

My girlfriends are turnin' green with envy
They wanna know are there anymore at home like him
Cupid, must be really watchin' over me

Isn't he a strange one?
He thinks comin' on to me
Is a whole lot of fun
He doesn't want anybody else but me

Isn't he a strange one?
He thinks I hung the moon
He's pretty sure I was the one
And I'm glad he'll never be
A stranger to me

Yeah, I'm glad he'll never be
A stranger to me

Isn't he a strange one?
Isn't he a strange one?
Isn't he a strange one?
