Well, I'm a one man woman
I want a one woman man
I've got two arms to hold him
To love him all I can

Now it's a free world we live in
It's this I understand
But I'm a one man woman
I want a one woman man

I don't need nobody
Handing me those lines
Saying I can keep my freedom
In these modern times

I want a ring on my finger
All the world to see
And when I get home from working
He'll be waiting there for me

Well, I'm a one man woman
I want a one woman man
I've got two arms to hold him
To love him all I can

Now it's a free world we live in
It's this I understand
But I'm a one man woman
I want a one woman man, ooh

I don't want nobody
Pulling me around
Loving me then leaving
Someone else downtown

If he ain't true and steady
Then he ain't in my plans
'Cause I'm a one man woman
I want a one woman man

Well, I'm a one man woman

I want a one woman man
I've got two arms to hold him
To love him all I can

Now it's a free world we live in
It's this I understand
But I'm a one man woman
I want a one woman man

Yeah, I'm a one man woman
I want a one woman man
