No sun will shine in my day today  
The high yellow moon won't come out to play  
I said darkness has covered my light,  
and has changed my day into night, yeah.  
Where is the love to be found  
Won't someone help me  
cause sweet life must be somewhere to be found

Instead of concrete jungle  
Where the living is hardest  
Concrete jungle  
Man and woman have to do their best.  
No chains around my feet  
But still I'm not free  
I know I am bound here in captivity  
I've never known what happiness is  
I've never known what sweet caress is  
I'll be always laughing like a clown  
Won't somebody help me?  
'Cause my sweet life must be somewhere out there to  
be found  
instead of a concrete jungle  
where the living is hardest  
concrete jungle  
a woman has to do her best

Sweet life, sweet life  
concrete jungle  
where the living is hardest  
concrete jungle  
man has to do his best  
concrete jungle  
where the living is hardest  
concrete jungle  
people you've got to do your best  
concrete jungle
