Catch me when I'm fallin'
Catch me when I'm fallin'
Catch me when I'm fallin'
Century Century Century Century

Everything I touch
Everything I touch
Everything I touch
Lightening trials of human love

Everything I touch
Everything I touch
Everything I touch
Lightening trials of human love

Once futuristic change
Now nostalgic knock-down
Traffic stops abandoned
Out of sync, out of fashion

Empty streets bely
Under ground a discerned you
Architecturally sheik
So then we can meet you

Everything I touch
Everything I touch
Everything I touch
Lightening trials of human love

Everything I touch
Everything I touch
Everything I touch
Lightening trials of human love

Shop lines in glass
A new world war
Untimeless beauty
All the rage, all the rage

Promises broken
Television erased

Nothing is sacred
Can-can dance to the golden age

White, Black
Gray, Light
Space, Crowd

White, Black
Gray, Light
Space, Crowd

White Black
Blocks, Borders
Space, Crowd

Century, century
Century, century

Century, century
Century, century
