19 you're only 19 for God's sake,
Oh, you don't need a boyfriend.
19 you're only 19 for God's sake,
Oh, you don't need a boyfriend.

Look what he's made you do to your arm again,
He said he'd come round but he's gone out with his
friends,
And I know how it feels to be your age
and feel the world is caving in.

Another drama by the kitchen sink tonight,
You said you'd cut yourself whilst washing up the
knives,
Another week off school won't do you any good,
And I know how it feels to be your age.

19. you're only 19 for God's sake,
Oh, you don't need a boyfriend.
19. you're only 19 for God's sake,
Oh, you don't need a boyfriend.

Come back with me, and find out what you really want,
Come home with me you'll only have to do it once,
'cause I know what it feels like to be your age,
You only have to do it once,
And never again.

Another drama by the kitchen sink tonight,
You said you'd cut yourself whilst washing up the
knives,
Another week off school won't do you any good,
And I know how it feels to be your age.

You know I'm not so young,
I spend an hour getting ready every day,
And still I end up looking more or less the same,
But I could show you,
a thing or two.

Oh, I could show you the ropes,
Yes I could show you the ropes,
And I would cut my hair for you,

'Cause I know how it feels.

I know how it feels to be your age,
I know how it feels to be your age,
Oh, how I'd love to feel a girl your age,
Your age,
Once and never again!
