Thanks to houtvanmark@hotmail.com for these lyrics.

If I listened long enough to you,
I'd find a way to believe that it's all true.
Knowing that you lied, straight-faced, while I cried,
Still I'd look to find a reason to believe.
Someone like you makes it hard to live without
somebody else.
Someone like you makes it easy to give, never think
about myself.

If I gave you time to change my mind,
I'd try to leave all the past behind.
Knowing that you lied, straight-faced, while I cried,
Still I'd look to find a reason to believe.
Someone like you makes it easy to live without
somebody else.
Someone like you makes it hard to give, never think
about myself.

If I listened long enough to you,
I'd find a way to believe that it's all true.
Knowing that you lied, straight-faced, while I cried
Still I look to find a reason to believe
Still I look to find a reason to believe
Still I look to find a reason to believe...
