Baby take me
And if you want a love that can't be beat
Baby take me
And if you want a love that's oh so sweet
Baby take me

I can't get you off of my mind
Think about you all of the time
Don't you know you know my heart
All you gotta do is make a start

And if you want a love that can't be beat
Baby take me
And if you want a love that's oh so sweet
Baby take me

There's nothing I wouldn't do
Give me a chance to prove it to you
I would treat you oh so good
'Cause I love you like I should

And if you want a love that can't be beat
Baby take me
And if you want a love that's oh so sweet
Baby take me

If you want a love that's true
That's what I'm offering you
It will be forever
We will part never
Baby can't you see
You're the one for me, oh

If you want a love that can't be beat
And if you want a love that can't be beat
And if you want a love that can't be beat

Baby take me

I can't get you off of my mind
Think about you all of the time
I want you all by myself
And I want some on no one else

And if you want a love that can't be beat
Baby take me
And if you want a love that's oh so sweet
Baby take me
And if you want a love that can't be beat
And if you want a love that can't be beat
And if you want a love that can't be beat
Baby take me
Baby take me
