Is it my imagination  
Or have I finally found something worth living for  
I was looking for some action  
But all I found were cigarettes and alcohol

You could wait for a lifetime  
To spend your days in the sunshine  
You might as well do the white line  
'Cos when it comes on top

You gotta make it happen!

Is it worth the aggravation  
To find yourself a job when there's nothing worth  
working for  
It's a crazy situation  
But all I need are cigarettes and alcohol

You could wait for a lifetime  
To spend your days in the sunshine  
You might as well do the white line  
'Cos when it comes on top

You gotta make it happen!

Cigarettes and alcohol (repeat and fade)
