Thanks to dornan4ca@angelfire.com for these lyrics.

It's been a long road  
Getting from there to here  
It's been a long time  
But my time is finally near

And I can feel the change in the wind right now  
Nothing's in my way  
And they're not gonna hold me down no more  
No they're not gonna hold me back

'Cause I've got faith of the heart  
I'm going where my heart will take me  
I've got faith to believe  
I can do anything  
I've got strength of the soul  
And no one's gonna bend or break me  
I can reach any star  
I've got faith, I've got faith, faith of the heart

It's been a long night  
Trying to find my way  
Been through the darkness  
No I've finally had my day

And I will see my dream come alive at last  
I will touch the sky  
And they're not gonna hold me down no more  
No they're not gonna change my mind

'Cause I've got faith of the heart  
I'm going where my heart will take me  
I've got faith to believe  
I can do anything  
I've got strength of the soul  
And no one's gonna bend or break me  
I can reach any star  
I've got faith, I've got faith, faith of the heart

I know that we're so cold

We've seen the darkest days  
But now the winds I feel  
Are only winds of change  
I've been through the fire  
I've been through the rain  
But I'll be flying, oh yeah

'Cause I've got faith of the heart  
I'm going where my heart will take me  
I've got faith to believe  
I can do anything  
I've got strength of the soul  
And no one's gonna bend or break me  
I can reach any star  
I've got faith, I've got faith, faith of the heart

It's been a long road
