It's been a long road
To get from there to here
It's been a long time
But my time is finally here

And I can feel a change in the wind right now
Nothing's in my way
And they're not gonna hold me down no more
No they're not gonna hold me down

(Chorus)

'Cause I've got faith of the heart
I'm going where my heart will take me
I've got faith to believe
I can do anything
I've got strength of the soul
And no one's going to bend nor break me
I can reach any star
I've got faith of the heart

It's been a long night
Trying to find my way
Been through the darkness
Now I finally have my day

And I will see my dream come alive at last
I will touch the sky
And they're not gonna hold me down no more
No they're not gonna change my mind

(Chorus)

I know the wind's so cold
I've seen the darkest days
But now the winds I feel
Are only winds of change

I've been through the fire

And I've been through the rain
But I'll be fine

(Chorus)
