Oh, yeah
Let the band play one time now

It was early one morning,
I was on my way to school
Early one morning,
I was on my way to school
Got lost on monday morning,
I broke my teachers rule

I was in love with you, baby,
before I learned to call your name
I was in love with you, baby,
before I learned to call your name
Now you're in love with someone else
You're bound to drive poor me insane

Oh, yeah ()

I said bye, bye bye, baby, bye bye
I said bye, bye bye, baby, bye, bye ...
ha ha
I said bye, bye bye, baby, bye, bye ...
bring it down here
I said bye, bye bye, baby, bye, bye ...
bye, bye bye, baby, bye, bye ...
I said bye, bye bye, baby, bye, bye ...
Yeah,
bye, bye bye, baby, bye, bye ...
bye, bye bye, baby, bye, bye ...
I said bye, bye bye, baby, bye, bye ...
