I can tell by your eyes that you've prob'bly been cryin'
forever,
and the stars in the sky don't mean nothin' to you,
they're a mirror.
I don't want to talk about it, how you broke my heart.
If I stay here just a little bit longer,
If I stay here, won't you listen to my heart, whoa, heart?

If I stand all alone, will the shadow hide the color of my
heart;
blue for the tears, black for the night's fears.
The star in the sky don't mean nothin' to you, they're a
mirror.
I don't want to talk about it, how you broke my heart.
If I stay here just a little bit longer,
if I stay here, won't you listen to my heart, whoa, heart?
I don't want to talk about it, how you broke this ol' heart.

If I stay here just a little bit longer,
if I stay here, won't you listen to my heart, whoa, heart?
My heart, whoa, heart.
