Well, I know y'all look as if you need some

But I just got some
I surely got some
The doctor prescribed some
I surely need some
Have to, have to have some, baby
Oh, I just went out and got some

My pockets ain't jinglin' and I'm gettin' fat
You know you can't hide it, I know where it's at
My pockets are as heavy as a chunk of lead
I just got a taste of her meat and veg

I had to have some
Sure did need some
Doctor prescribed some
Had to, had to, had to have some baby
Y'all know I look as if I need some
Oh, I just went out and got some, oh

Yeah

You would not help me when you really could
But right now baby, you can't do me no good
Cause I just got some
Had to, had to, have some
Doctor prescribed some
Had to, had to, had to have some baby
Y'all know I look as if I need some
Oh, I just went out and got some, oh

Yeah

You would not help me when you really could
But right now baby, you can't do me no good
Cause I just got some
Had to, had to, have some
Doctor prescribed some

You all know I look as if I need some

I just got some

Had to had to have some, baby, oh

I just got some

Everybody knows that I need some

The doctor even prescribed me some

Oh, yeah
