How you doin' Annaheim ? I don't know what else to call ya'. If I knew all your names, I'd call ya' your bloody names.

Here's one that we did when we was here - were many of you here last night ?

Alright, well I changed me shirt anyway - no I haven't - changed me trousers.

Sunshine, blue skies, please go away,  
My love has found another, gone away  
Withered up my future, my life is filled with gloom,  
Day after day I stay locked up in my room.  
I know to you it might sound strange  
But I wish it would rain.

Curse so badly, I dont want to go outside,  
Everyone knows that a man aint supposed to cry.  
Listen, Ive got to cry, 'cause crying sheds the pain.  
To the world outside my tears I refuse to explain  
I wish it would rain

Let it rain

Looking down at my tear stained face pressed against  
the window pane,  
But I search the sky desperately for rain,  
'Cause raindrops will hide my teardrops, no one will  
ever know  
When Im crying, crying when I go outside.  
To the world outside my tears I refuse to explain  
I wish it would rain

Let it rain
