Ooh hoo

Just a telegram

When your plane touches down

Are you sure that I ain't talking to myself ?

And when the seatbelt sign goes on,

You know you're not alone

'Cause Jodie I still love ya'

All the while

And I wish ya' all the best

With your current success

Don't let the flash boys turn your head

And I don't mind you havin' friends

But your love is not to lend

'Cause Jodie I still love ya'

Always thinkin' of ya'

Jodie I still love ya'

All the while

And I'm gonna have to get by anyway, hmmm

And you know with the winter comin' on, it's gonna be  
so hard

And I really really really really don't miss ya' anyway,  
not anyway

And you know how I lie

Hmm, oww

So I wish you all the best

With your current success

Don't let the flash boys turn your head

And I don't mind ya' havin' friends,

But your love is not to lend, remember

Jodie I still love ya'

I'm always thinkin' of ya'  
Jodie I still love ya'  
All the while  
Jodie I still love ya'  
I'm always thinkin' of ya'  
Jodie I still love ya'  
All the time
