I don't want you
to come round here no more
I beg you for mercy
You don't know how strong
my weakness is
Or how much it hurts me
Cause when you said it over with him
I want to believe it's true
So I let you in knowing tomorrow
I'm gonna wake up missing you
wake up missing you

When the one you love's
in love with someone else
Don't you know it's torture
I mean it's a living hell
No matter how I try to convince myself
this time I won't lose control
One look in your blue eyes
And suddenly my heart can't tell you no

I don't want you
To call me up no more
Saying you need me
You're crazy if you think
just half your love
could ever please me
Still I want to hold you, touch you
when you look at me that way
There's only one solution I know
You gotta stay away from me
Stay away from me

When the one you love's
in love with someone else
Don't you know it's torture
I mean it's a living hell
No matter how I try to convince myself
this time I won't lose control
One look in your sad eyes
And suddenly my heart can't tell you no

My Heart can't tell you no

I don't want you
to come round here no more
I beg you for mercy
You don't know how strong
my weakness is
Or how much it hurts me
Cause when you say its over with him
I want to believe it's true
So I let you in knowing tomorrow
I'm gonna wake up missing you
Wake up missing you

When the one you love's
in love with someone else
Don't you know it's torture
I mean it's a living hell, a living hell
When the one you love's
in love with someone else
Don't you know it's torture I mean it's a living hell, a
living hell
