If I listened long enough to you  
I'd find a way to believe that it's all true  
Knowing that you lied straight-faced while I cried  
Still I look to find a reason to believe

Someone like you makes it hard to live without  
somebody else  
Someone like you makes it easy to give  
never think about myself

If I gave you time to change my mind  
I'd find a way just to leave the past behind  
Knowing that you lied straight-faced while I cried  
Still I look to find a reason to believe

If I listened long enough to you  
I'd find a way to believe that it's all true  
Knowing that you lied straight-faced while I cried  
Still I look to find a reason to believe

Someone like you makes it hard to live without  
somebody else  
Someone like you makes it easy to give  
never think about myself
