Stewart/J. Ben  
All the night she dressed to kill  
Fish net tights with red high heels  
All the boys say she's cold as ice  
I won't sleep until I'm satisfied  
Keep on watchin' her across the room  
Waitin' for the band to play a faster tune  
I want her number but I'm scared to ask  
I wanna dance and I want her ass  
Want to fuck her, she's no relief  
I don't know what's wrong with me  
Dance with me  
She won't dance with me  
Why won't she dance with me  
She won't dance with me  
Dance, dance, dance, dance with me  
Why won't she dance with me  
Come on, dance with me  
Dance, dance, dance, dance with me  
Here she comes floatin' down the street  
Synthesized eyes wearin' cellophane jeans  
Practicin' the art of sexuality  
My tongue gets tied when I try to speak  
Got a hard on, honey, that hurts like hell  
If I don't ask her somebody else will  
Dance with me  
Don't wanna dance with you  
Why won't you dance with me  
Why should I dance with you  
Dance, dance, dance  
Please dance with me, baby  
I won't dance with you  
I won't dance with you  
Why should I dance with you  
I won't dance with you....
