SOME GUYS HAVE ALL THE LUCK

Some guys have all the luck
Some guys have all the pain
Some guys get all the breaks
Some guys do nothing but complain
Alone in a crowd on a bus after work and I'm dreaming
The guy next to me has a girl in his arms
My arms are empty
How does it feel
When the girl next to you says she loves you
Feels so unfair
When there's love everywhere
And there's none for me
Some guys have all the luck
Some guys have all the pain
Some guys get all the breaks
Some guys do nothing but complain
Someone to take
On a walk by the lake
Lord, let it be me
Someone who's shy
Someone who'd cry at sad movies
I know I would die if I ever found you
You was fooling me
You're just a dream
And as real as it seems
I ain't that lucky
Some guys have all the luck
Some guys have all the pain
Some guys get all the breaks
Some guys do nothing but complain
All of my friends have a ring on their finger
They're someone
Someone to care for them
It ain't fair
I've got no one
The car overheated
I called up and pleaded
There's help on the way
I called you collect

You did not accept
You had nothing to say
Some guys have all the luck
Some guys have all the pain
Some guys get all the breaks
Some guys do nothing but complain
But if you were here with me
I'd feel so happy I could cry
You are so dear to me
I just can't let you say goodbye
