In the morning
Don't say you love me
Cause I'll only kick you out of the door

I know your name is Rita
Cause your perfum smelling sweeter
Since when I saw you down on the floor
guitar

Won't need to much persuading
I don't mean to sound degrading
But with a face like that
You got nothing to laugh about

Red lips hair and fingernails
I hear your a mean old jezabel
Lets go up stairs and read my tarot cards

Stay with me
Stay with me
For tonight you better stay with me

Stay with me
Stay with me
For tonight you better stay with me

So in the morning
Please don't say you love me
Cause you know I'll only kick you out the door

Yea I'll pay your cab fare home
You can even use my best colonge
Just don't be here in the morning when I wake up

Stay with me
Stay with me
Cause tonight you better stay with me
Sit down, get up, get down

Stay with me
Stay with me

Cause tonight your going stay with me
Hey, whats your name again oh no, get down, wooo
