Feels like I'm going insane  
I'm losing my brain  
I can't stand the pain I'm feeling  
Open my arms they don't reach  
I want you to teach me  
What do I do now baby

Cry every day I exist  
I want to be missed  
I want to be needed baby  
Don't want to put on a show  
So where do I go  
And what do I do now baby

Sometimes it seems to me  
Like my whole world's falling apart  
I miss you so much dear  
Won't you come back to my arms

Thoughts spinning round in my head  
About things that you said  
I want to be sleeping baby  
Open my eyes there's no one  
The damage is done

Oh what can I do now baby
