Well the pressure's down the boss ain't here  
He gone North he ain't around  
They say that vanity got the best of him  
But he sure left here after sundown  
By the way that's a cute hat  
And that smile so hard to resisit  
But what's a sweetheart like you doing in a dump like this?

You know I once knew a woman who looked like you  
She wanted a whole man not just a half  
She used to call me sweet daddy when I was a child  
In order to deal in this game, got to make the Queen disappear  
It's done with a flick of the wrist  
What's a sweetheart like you doing in a dump like this?

You know a woman like you should be at home  
That's where you belong  
Watching out for someone who loves you true  
Who would never do you wrong  
Just how much abuse will you be able to take  
Well there's no way to tell by that first kiss  
What's a sweetheart like you doing in a dump like this?

You know you can make a name for yourself  
You can hear them tires squeal  
You can be known as the most beautiful woman  
Who ever crawled across cut glass to make a deal

You know, news of you has come down the line  
Even before you came in the door  
They say in your father's house there's many mansions  
Each one of them got a fireproof floor  
Snap out of it baby people are jealous of you  
They smile in your face but behind your back they hiss  
What's a sweetheart like you doing in a dump like this?

Got to be an important person to be in here, honey  
Got to have done some evil deed  
Got to have your own harem when you come in the  
door  
Got to play your harp until your lips bleed

They say that patriotism is the last refuge  
To which a scoundrel clings  
Steal a little and they throw you in jail  
Steal a lot and they make you King  
There's only one step down from here, baby  
It's called the land of permanent bliss  
What's a sweetheart like you doing in a dump like this?
