(Barry and Robin Gibb)  
with Booker T. & the MG's (1975)  
There's a light,  
a certain kind a' light  
that never shone on me.  
I want my life to be, to live with you.  
To live with you.  
And there's a way, ev'rybody says,  
to do each and ev'ry little thing.  
But what does it mean  
if I ain't got you, if ain't got you?

'Cause you don't know what it's like  
you don't know what it's like  
to love somebody,  
to love somebody  
the way I love you.

If I pray  
I see your face again;  
But I know not where to find  
You ain't got to be so blind  
I'm blind, so very very blind  
I'm a man,  
can't you see what I am?  
I move heaven and earth for you  
But what does this man do  
if he ain't got you, if he ain't got you?

'cause you don't know what it's like, baby,  
you don't know what it's like  
to love somebody,  
to love somebody  
the way I love you, I love you, I love you

'cause you don't know what it's like, baby,  
you don't know what it's like  
to love somebody,  
to love somebody  
the way I love you, I love you, I love you, ha

Ooh yeah  
Ooh yeah  
Oh baby

you don't know what it's like  
you never never know what it's like  
to love somebody,  
to love somebody  
the way I love you, I love you, I love you  
yeah  
you never, never know what it's like,  
honey  
ooh baby  
I love ya, I love ya, I love ya God almighty, I love ya
