When I need you  
I just close my eyes and I'm with you  
And all that I so want to give you  
it's only a heart beat away

When I need love  
I hold out my hand and I touch love  
I never knew there was so much love  
keeping me warm night and day

Miles and miles of empty space in between us  
A telephone can't take the place of your smile  
But you know I won't be traveling forever  
It's cold out but hold out and do like I do

When I need you  
I just close my eyes and I'm with you  
And all that I so want to give you baby  
it's only a heart beat away

It's not easy when the road is your driver  
Honey that's a heavy load that we bear  
But you know I won't be traveling a lifetime  
It's cold out so hold out and do like I do

When I need you

When I need love  
I hold out my hands and I touch love  
I never knew there was so much love  
keeping me warm night and day

When I need you  
I close my eyes  
I hold out my hand and I've got you darlin'  
It's only a heart beat away  
Now listen  
When I need you darlin'  
I hold you, feel ya  
Give it to me baby

And I miss ya baby  
Just close my eyes and I'm with you  
And I need you tonight You know it's only a heart beat  
away
