[Verse 1: Juganot]

Yeah! I'm from N-Y-C me on the ave

Turn your radio up be easy on the gas

This the remix we need it for the class

Of two thousand eight summer flew so fast

Juganot cookin they ass the whole reason

Cats get panic attacks they all wheezin

Tearin it down in each town do this for the people, this
here is the sequel

Niggas is senile thinkin we ain't about it

The reason we stressed cause we so overcrowded

Word! That's the reason my city so violent

Word! We work two jobs to balance the absurd

Cost of livin your better give

A hundred and ten percent of an effort if, extra
competitive

Kids stay in school, lay off the sedatives

Question the government in whatever they tellin us

We rebellious we back home we sayin leave Iraq alone!

Uh huh! Yeah!

And put your hand in the air

If you wanna see your soldiers back at home

Come on!!

[Chorus: Swizz Beatz]

Where the-Wh-Wh-Where-Where-Where The Bronx at?!
Is New York in the house say what now! (YEAH!)
Where Queens at?! Is New York in the house say what

[Verse 2: Busta Rhymes]

Yeah! To give a fuck what niggas talk
If you ain't know my whole jewelry collection is New
York nigga
From drug spots to the strips they holdin the fort
In front of Pancho's Deli burnin them phillies and
Newports nigga
With the spirit of hustlers in hip hop was submitted
Home and origin and swag and the big chain was
invented
The place is known I said it and light the fire and scorch
On some Statue Of Liberty shit we always carryin the
torch
Block party properly put the speaker out on the porch
You know the type to dial up in the boroughs fuck what
you thought
Tattoo and carve the city in my skin it could live with me
Out of town niggas rockin New York fitted religiously
It's all good I respect the way niggas live it
Frontin and follow what we do like New York all in they
spirit
I don't think you niggas ready to play in this thug sport
Just get it right homey! It's! New! York!

[Chorus: Swizz Beatz]

Where the-Wh-Wh-Where-Where-Where The Bronx at?!
Is New York in the house say what now! (YEAH!)
Where Queens at?! Is New York in the house say what

Where Brooklyn at?! Is New York in the house say what
now! (YEAH!)
Where Harlem at?! Is New York in the house say what
now! (YEAH!)

You've been one of the niggas that could kill me
But they not, I'm still hot
More money more mansions more yachts
More bitches more whips more rocks
Independence Day, jackpot!
You couldn't count how many m's I got
Hundred guns hundred clips get the swag up
Oh they callin you a snitch bet you that sucks
New York big city of dreams
Get money keep feedin them fiends and I'm out

[Chorus: Swizz Beatz]

Where the-Wh-Wh-Where-Where-Where The Bronx at?!
Is New York in the house say what now! (YEAH!)
Where Queens at?! Is New York in the house say what

Where Brooklyn at?! Is New York in the house say what
now! (YEAH!)

now! (YEAH!)

[Verse 4: Reek Da Villian]

N-E-W-Y-O-R-K!!!! I'm from Strong I-S-L-A-N-D
Where the crackheads will stick you up
Take a hit of the glass dick
Come through with that fifth and lit you up
Five boroughs of insanity
And them Jersey mu'fuckers like family
Where the ugliest chick will tell you she look like Amerie
Like Grace Jones sayin she favor Vanity
So, we quick to hit 'em and diss 'em like get lost
Kick her out with her clothes on backwards like Kriss
Kross
Leave her with, more shit on her than Rick Ross
Like Lil' Mama I enjoyed ya lip gloss
No matter the bridge the coupe will serve with it
Merge in it especially the CL to chirp in it
When we left the worms in it the apple was perfected
Now you smell the foulness in the air it's your city New
York

[Chorus: Swizz Beatz]

Where the-Wh-Wh-Where-Where-Where The Bronx at?!
Is New York in the house say what now! (YEAH!)
Where Queens at?! Is New York in the house say what
now! (YEAH!)
Where Brooklyn at?! Is New York in the house say what
now! (YEAH!)
Where Harlem at?! Is New York in the house say what

now! (YEAH!)
