Saying I love you  
Is not the words I want to hear from you  
It's not that I want you  
Not to say, but if you only knew  
How easy it would be to show me how you feel

More than words is all you have to do to make it real,  
then you wouldn't have to say that you love me,  
Cause I'd already know.

What would you do if my heart was torn in two  
More than words to show you feel  
That your love for me is real What would you say if I  
took those words away Then you couldn't make things  
new Just by saying I love you

More than words  
Now I've tried to talk to you and make  
you understand All you have to do is close your eyes  
And just reach out your hands and touch me  
Hold me close don't ever let me go

More than words is all I ever needed you to show,  
Then you wouldn't have to say that you love me  
Cause I'd already know

What would you do if my heart was torn in two  
More than words to show you feel  
That your love for me is real What would you say is took  
these words away  
Then you couldn't make things new  
Just by saying I love you

More than words
