Well it's been almost a year to the moment  
When I finally realized it was over  
And I knew that loves wasn't  
Good enough of a reason for me to stay

Well I saw you yesterday  
You were driving  
And I tried so hard to forget you were alive  
And as you passed by I began to cry  
Over things that I did not say

And hiding beneath  
My blankets and sheets I'm finally free  
I'm killing the ghost of you  
And the ghost to awakening in me  
Yeah yeah  
So I'm taking my heart and getting' me out  
And love's something that I wouldn't want to live with  
out  
So I'm taking my heart and I'm getting me out of  
My own my own my own

Well it takes all of my strength to be stable  
And I force your insults under the table  
And if you were wise you would compromise  
And allow my to live my way

Cause I am not a force to be reckoned with  
And you don't have a clue what you're messing with  
And you can't see through to the best of me  
Cause it's more than your heart can take

And hiding beneath  
My blankets and sheets I'm finally free  
I'm killing the ghost of you  
And the ghost to awakening in me  
I'm awakening me  
I'm awakening me  
I'm awakening me

Yeah yeah  
So I'm taking my heart and getting' me out

And love's something that I wouldn't want to live with  
out  
So I'm taking my heart and I'm getting me out of  
My own my own my own

I'm taking my heart and setting me free  
And baby now you're just another song to me  
And the edge of your sword isn't sharp enough  
For me to bleed

Nah nah nah nah nah nah nah nah nah nah  
Nah nah nah nah nah nah nah nah
