On the ground  
With my world  
Upside down  
I got a vision of your face  
And I must get me out  
For so many memories we've yet to make  
God don't send to me your angels  
I just wanna hear you say again

Forever love  
Say your love  
Digame, Digame  
Tell me so  
I can hold you in my soul  
If I go  
I know

When you smile  
With those eyes  
Baby it's like  
You place a finger on my heart  
And your lips next to mine  
Make me think that maybe heavens where you are  
God don't send to me your angels  
I just wanna hear you say again

Forever love  
Say it love  
Digame, Digame  
Tell me so  
I can hold you in my soul  
And if I go  
I'll know

La la la la€!

Forever love  
Say it love  
Digame, Digame  
Tell me so  
I can hold you in my soul  
And If I go

I know  
Forever love  
Say it love  
Digame, Digame  
Tell me so  
I can hold you in my soul  
And if I go  
I'll know
