"Shine"

Oh the night, makes you a star
And it holds you, cold in it's arms
You're the one to whom nobody verses "I love you",
Unless you say it first

So you lie there, holding your breath
And it's strange, how soon you forget
That you're like stars,
They only show up when its dark,
Cause they don't know their worth

And I think you need to stop following misery's lead
Shine away, shine away, shine away

Isn't it time you got over
How fragile you are?
We're all waiting
Waiting on your supernova
Cause that's who you are
And you've only,
Begun to shine

There are times when,
The poets and porn stars align
And, you won't know who to believe in,
Well that's a good time to be leaving

And the past knocks on your door
And there's stones at your window
At four in the morning
Well maybe, he thinks its romantic
He's crazy
But you knew that before
And I think you need to stop following misery's lead
Shine away, shine away, shine away

Isn't it time you got over
How fragile you are?
We're all waiting
Waiting on your supernova
Cause that's who you are
And you've only,

Begun to shine

Yeah, you've only begun to shine

Won't you shine, shine, shine, shine over shadow (oh,
oh)

Shine, shine, shine, shine over shadow (oh, oh)

Shine, shine, shine, shine over

And I think you need to stop following misery's lead

Shine away, shine away, shine away

Isn't it time you got over

How fragile you are?

We're all waiting

Waiting on your supernova

Cause that's who you are

And you've only,

Begun to shine

Yeah, you've only begun to shine

Yeah, you've only begun to shine
