The taming of the memory
The heartache of the soul
'Tis their dream? forgiveness
The fear of letting go
With every breath
With every step
The truth becomes so clear
Leading me closer
Bringing me near

To the heart of the art of the soul
Where the tears and the fears make us whole
Let the canvas reveal
The pain as it heals
In the heart of the art of the soul

The daybreak tempts my spirit
And helps to make it seem
That night won't last forever
If I use the dark to dream
And with your love you give me light
To find my way along

Leading me closer
Bringing me home

To the heart of the art of the soul
Where the tears and the fears make us whole
Let the canvas reveal
The pain as it heals
In the heart of the art of the soul

You're asking me to remember
And to let you have your say
But all that I ask is believing me
And let me live today

The canvas reveals
The pain as it heals
In the heart of the art of my soul
In the heart of the art of the soul
